GLOW RANGE

SKIN CONCERNS

Targets hyperpigmentation, age spots and dull tired skin for a brighter, more radiant complexion.

X3M GLOW BOOSTER (30ml)

An intensive correcting and brightening serum which addresses pigmentation. Formulated with a potent combination of 20% low molecular weight Hyaluronic Acid (LMWHA) to improve hydration and skin elasticity, as well as 3% Tranexamic Acid and 1% Genowhite to help brighten uneven skin tone and improve overall radiance.

X3M EGF GLOW LIQUID MOISTURIZER (100ml)

With a texture akin to a toner, this repairing and protecting liquid moisturiser contains Sodium PCA, which helps to increase the water content of the top layers of the skin. While Polygonum Cuspidatum Root Extract, Citrus Aurantium Dulcis Fruit Extract and Diospyros Kaki Leaf Extract are rich sources of vitamins, minerals and amino acids – which work together to support the natural skin cell renewal process.

X3M EGF GLOW ESSENCE (50ml)

An energising anti-pigmentation and antioxidant essence that refreshes, protects, and hydrates skin. Contains Alpha Arbutin which reduces pigmentation, added botanical extracts for a skin brightening effect and a very high concentration of low molecular weight Hyaluronic Acid for dermal hydration.

X3M EGF GLOW SERUM (50ml)

This lightweight serum moisturiser helps brighten the appearance of skin and diminish pigmentation spots. Supercharged with active ingredients, including brighteners, antioxidants and peptides, to help protect and repair the skin. Added low molecular weight Hyaluronic Acid plumps and deeply hydrates to reveal a more even, younger-looking skin.

EGF GLOW MASK²

Infused with a blend of Hyaluronic Acid and Peptide+ complexes, as well as brightening Arbutin, this rejuvenating facial sheet mask locks in moisture and targets uneven skin tone.

PURE RANGE

SKIN CONCERNS

Targets sensitive, irritated and inflamed skin for a clearer, healthier looking complexion.

X3M EGF PURE LIQUID MOISTURIZER (100ml)

A soothing and hydrating antioxidant liquid moisturiser that is especially suited for sensitive and inflamed skin types (such as acne prone skin). With a texture akin to a toner and a very high concentration of low molecular weight Hyaluronic Acid, it sinks straight in to hydrate and calm any skin type.

X3M EGF PURE ESSENCE (50ml)

A lightweight antioxidant essence with a gel-like consistency that soothes, repairs, and hydrates skin. Contains a very high concentration of low molecular weight Hyaluronic Acid for deep skin hydration and botanical extracts with anti-inflammatory properties to calm and protect.

X3M EGF PURE SERUM (50ml)

This repairing and calming antioxidant serum contains Niacinamide which helps with the appearance of enlarged pores, fine lines and uneven skin tone. While Squalane and botanical extracts, with anti-bacterial and anti-inflammatory properties, work together to leave problematic skin healthy and clear. Low molecular weight Hyaluronic Acid ensures long lasting hydration.

X3M PURE PORE MINIMIZER MASK

This deep cleansing sheet mask combines active ingredients, such as Hyaluronic Acid, as well as Activated Charcoal to effectively decongest and refine the appearance of pores and leave skin feeling clean and hydrated.

EGF PURE MASK²

An anti-inflammation and skin rejuvenating face mask with Hyaluronic Acid complex for long-lasting, multi-level hydration, and Niacinamide to repair the skin's moisture barrier and soothe troubled skin.

REFRESH RANGE

SKIN CONCERNS

Targets fine lines, wrinkles and dehydrated skin for a smooth, refreshed and revitalised complexion.

X3M EGF REFRESH LIQUID MOISTURIZER (100ml)

With a texture akin to a toner, this antioxidant liquid moisturiser sinks straight in to refresh and repair tired skin. Packed with a very high concentration of low molecular weight Hyaluronic Acid and Sodium PCA for impressive dermal hydration. The addition of Betaine and Beta Glucans helps repair and protect skin from free radicals and environmental damage.

X3M EGF REFRESH ESSENCE (50ml)

This gel-like antioxidant essence is formulated to reduce lines and wrinkles without drying skin. Contains a very high concentration of low molecular weight Hyaluronic Acid for dermal hydration, while added antioxidants and peptides with Epidermal Growth Factors (EGF) activate skin cell regeneration and help the skin maintain its youthful appearance.

X3M EGF REFRESH SERUM (50ml)

This anti-ageing serum moisturiser is developed with moisture-lock technology. Daily use helps fortify and repair skin's moisture barrier to keep moisture in and environmental irritants out. Main ingredients – low molecular weight Hyaluronic Acid, Squalane and peptides with Epidermal Growth Factors – work to restore health to damaged tissue to create a revitalised and radiant complexion.

EGF REFRESH/TIGHT MASK²

A soothing and rejuvenating face mask infused with a powerful blend of Hyaluronic Acid and Peptide+ complexes, as well as wrinkle-smoothing Argireline to visibly tighten skin and reduce the signs of ageing.

PREMIUM TIME REVERSE

PREMIUM TIME REVERSE CREAM (30ml)

A supercharged moisturising cream which combines CLINICARE's unique Time Reverse formulations with super-efficient and innovative anti-ageing ingredients. These work together to renew and tighten skin, boost moisture and radiance, and reverse the signs of ageing. Main active ingredients include Hyaluronic Acid, Niacinamide, Salicylic Acid, Vitamin E, peptides, and three innovative ingredients – SKINectura, Tens'Up and Uniclay.

PREMIUM TIME REVERSE LIP BOOSTER (7.5ml)

Premium Time Reverse Lip Booster helps lips appear smoother and fuller from the very first application and plumper over time when applied daily. Its gentle formula is packed with active ingredients, which work together to rejuvenate, moisturise, plump and protect lips. With a transparent and glossy finish, the new Lip Booster comes with a soft applicator for easy application.

PREMIUM TIME REVERSE MASK

This high-performance hydrogel sheet mask is packed with a powerful blend of Hyaluronic Acid, vitamins, amino acids and minerals. It actively reduces the signs of ageing, such as fine lines and wrinkles, leaving the skin visibly plump and lifted. It also provides deeply soothing and glow-enhancing hydration with an immediate improvement in skin condition.

PREMIUM TIME REVERSE HAND & NAIL CREAM (50ml)

This fast-absorbing, antioxidant-rich hand and nail cream is formulated to restore, protect and rejuvenate. It delivers instant hydration, leaving hands softer, smoother and visibly refreshed, while strengthening nails and nourishing cuticles.

COMPLEMENTARY PRODUCTS

CONCENTRATED CLEANSING FOAM (100ml)

A concentrated cleansing foam that gently removes surface impurities, excess sebum and make-up residue. This light foam contains botanical cleansing agents and moisturisers to leave skin fresh, soft and clean. Suitable for all skin types, even the most sensitive.

CLEANSING LOTION (100ml)

A milky lotion which effortlessly removes make-up and impurities without disrupting the skin's moisture barrier. Contains hydrating and nourishing ingredients with added antioxidants rich in vitamins A, C and E.

LIP & EYE MAKE-UP REMOVER (100ml)

A gentle and soothing make-up cleanser containing a high concentration of active ingredients and botanical extracts. Suitable for removing all traces of eye make-up, mascara and lipstick. Creates a protective moisture barrier when dry.

LIP & EYE RENEWAL CREAM (30ml)

Diminishes the multiple signs of ageing around the delicate eye and lip area. The high concentration of low molecular weight Hyaluronic Acid, combined with Squalane delivers lasting hydration, helps increase elasticity, and protects against environmental damage.

ENERGIZING HAIR SHAMPOO (250ml) & CONDITIONER (250ml)

The Energizing Hair Shampoo and Conditioner contain active ingredients with antioxidant and anti-inflammatory properties. Specially formulated to promote scalp vitality, prevent and treat hair loss and repair environmental damage to thin/weak hair.

LMWHA+ SERUM (AT-HOME MICRONEEDLING) (30ml)

Specifically formulated for at-home microneedling and derma rolling. This potent serum contains a high concentration of active ingredients, including 2% low molecular weight Hyaluronic Acid, for long lasting hydration and anti-ageing effects.

SUNCARE

SUN SHIELD CREAM SPF30 (50ml)

A lightweight broad-spectrum SPF30 sunscreen that provides effective all-day protection against damaging UVA and UVB rays. Added botanical extracts moisturise, soothe and nourish the skin.

DERMO CORRECTIVE CREAM SPF50 (35ml)

An all-in-one repair and corrective cream which also acts as a moisturiser, SPF50 sunscreen and provides soft coverage. Available in a medium or darker tint with self-adjusting pigments to blend perfectly with most skin tones.

INSTANT PEEL @HOME (50ml)

An advanced exfoliating treatment that gently removes dead skin cells, deeply cleanses pores and supports skin renewal. Combining exfoliating acids, antioxidants and moisturising actives to refine texture and reveal a brighter complexion.

RETINOL RENEWAL CREAM (50ml)

Based on the latest peptide technology, this potent anti-ageing cream delivers unparalleled skin firming and antioxidant protection, while helping to combat fine lines. The perfect day and night solution for a more youthful appearance.
